Refurbishments, Extensions and Conversions

Abbey Builders (London) Ltd specialises in refurbishments, extensions and conversions to residential and commercial properties. In the past we have carried out numerous projects for public and private sector clients.

We provide a very experienced labour force and offer a complete building service at very competitive rates.

Listed below are many of the trades we offer:

- Ground Works • Brickwork • Roofing • Plastering
- Carpentry and Joinery • Damp Proof Treatment
- Dry Lining and Partitioning • Suspended Ceilings
- New/Replacement Windows and Doors • Tiling
- Painting and Decorating • Floor Coverings
- Electrical • Air Conditioning Systems
- Heating Systems • Plumbing

Loft conversion comprising double bedroom with en-suite. Externally finished with natural hanging slates, powder coated aluminium windows and a stainless steel balcony.

Above. Single storey extension comprising a new kitchen, hardwood folding/sliding doors and external decking.

Single storey extension comprising large lounge area, utility room and W.C with large glazed roof section.

Left. Complete internal refurbishment of a three storey Victorian building. Picture shows a refurbished corridor leading to living rooms, bedrooms, kitchen and bathroom.
