Dear Sirs

Re: Abbey Builders (London) Limited

We have received a request for a reference for this firm and are pleased to respond as follows.

We have worked with Abbey Builders for many years during which time they have undertaken a variety of residential and commercial projects on behalf of our clients.

Abbey's management of the projects has been diligent, professional and responsive and their works on site have been completed to a high standard and in a timely manner.

Abbey deal effectively with matters of health and safety and compliance with the CDM Regulations.

We continue to invite Abbey to tender for work and appoint them when appropriate.

Yours faithfully
